Dear Ms. Dortch:

On May 6, 2019, USTelecom submitted the following in support of its Forbearance Petition in WC Docket No. 18-141¹: an *ex parte* letter, an attached declaration, and the data underlying the analysis in the declaration.² While the May 6 *Ex Parte with Attachment* and associated data were focused on arguments in support of the Petition, arguments in the letter and the supporting data are also relevant to the Business Data Services Remand proceeding. Therefore, with this letter, USTelecom hereby incorporates the attached *ex parte* and associated data in the Business Data Services dockets listed above.

Due to the file size limitations of ECFS, USTelecom submits the data in eight separate text files: cable_block_list-txt-1, cable_block_list-txt-2, cable_block_list-txt-3, cable_block_list-txt-4, cable_block_list-txt-5, cable_block_list-txt-6, cable_block_list-txt-7, and cable_block_list-txt-8. USTelecom also submits a README.txt file describing the data. Please direct any questions to the undersigned.
